Outside of the legal usage outlined in this Agreement, do not distribute, sell, rend, lend, give away, or share privately or publicly any modified or unmodified version of the trial Fonts.

This is a binding Agreement. Licensee is bound by the Agreement and acknowledges that all Use of the Font supplied by Hoodzpah, Inc. is governed by the Agreement.

1. License Grant: Hoodzpah, Inc. grants Licensee perpetual, worldwide, non-exclusive, non-transferable (except as expressly permitted herein) license to use the Fonts solely for the following limited uses:

a. for internal evaluation purposes, in order to determine if you would like to purchase a non-trial license, and

b. to provide static examples of artwork or text created using the Fonts to your client(s) or customer(s) for the sole purpose of their internal evaluation of such artwork or text (e.g. as displayed in a pitch book, proof deck, or other trial materials), but not for display or any other use, publicly or otherwise. If you or any client or customer seeks to use the Fonts or publicly display the artwork or text you provide bearing or displaying the Fonts, you and/or they will need to purchase a separate license(s) specific to the intended uses (i.e. not just this Trial License). Trial Fonts are only for testing and pitching purposes

c. Licensee is not purchasing the copyright to the Font designs or any other part of the Fonts. The copyright lies with its original designer, Hoodzpah.

2. Requirements and Restrictions:

a. You may not use the trial Fonts in any capacity beyond testing purposes. This trial Font license does not cover commercial usage or any public display or usage (including on social media). In order to use these Fonts for your business, your clients business, or on social media you will need to purchase the appropriate license for your usage.

b. Document Embedding: If you embed Font in a document (including PDF, Microsoft Word,

Microsoft Powerpoint), it must be read-only if sent to recipients.

3. Modifications: Licensee must not modify the Fonts (digital typeface software) under any circumstance. Licensee may convert text into vector paths and edit those vector paths in applications that support the Font files. To clarify further: you cannot edit the .otf or .woff files, but you can outline the font and edit the vector shapes in a program like adobe Illustrator. Licensee may not create derivative fonts based on the Font without prior written consent from Hoodzpah, Inc.

4. Copyright and Intellectual Property: Licensee agrees not to use the Font in any manner that infringes the intellectual property rights of Hoodzpah, Inc. or violates the terms of this EULA. Licensee agrees that the Font is protected by the copyright law and other intellectual and industrial property rights of the United States and its various States, by the copyright law and other intellectual and industrial property rights of other nations, and by international treaties. Licensee agrees not to reverse engineer, decompile, disassemble, or otherwise attempt to discover the source code or instructions of the Font. You agree that Hoodzpah, Inc. owns all right, title and interest in and to the Font, its structure, organization, code, and related files, including all intellectual and industrial property rights therein such as copyright, design and trademarks rights. You agree that the Font, its structure, organization, code, and related files are valuable property of Hoodzpah, Inc. and that any intentional or negligent Use of the Font not expressly permitted by the Agreement constitutes an infringement of intellectual and industrial property rights.
